*All higher levels than beginner
we run year round. So you can
practically start your course
every Monday.

If you come to our school as a „0-beginner of German“ and your goal is to **enter university** (TestDaF/DSH exam), and if you join our „standard intensive course 25“ you would have to plan on a total of 36 course weeks.

To reach the **B1 level (= ZD exam)** you would have to plan on 24 course weeks.

If you have already learnt some German before naturally the course length will be appropriately shorter.

In order to **place you into an appropriate German class** we classify you with a free of charge test and sample hours. Our **online placement test** you can find here:
