

# [DD]eutsch

*The start package for New-Dresdners*

- ➔ Imparts **basic knowledge of the German language** for your daily needs  
- *so your colleagues will feel at ease in your company*
- ➔ combines a language and an **orientation course for New-Dresdners**  
- *includes immediate practice on location*
- ➔ accompanies and helps over come the hurdles of learning German  
- *and saves you time, money and frustration*

## The interactive learn concept:

- Lessons are practical and especially suited for the first Steps into the German speaking world
- The newly learned skills will be practice directly in real life situations
- You learn “where the language happens“ with authentic intonation and rhythm, of course with our teachers’ help
- Approach to the saxon dialect, manners and conversation in Germany
- avoid cultural misunderstandings in formal or informal situations

## Bonus Help with:

finding an apartment, rent contract, public authorities, residence permit, employment agency, electricity -gas registration, moving service, transfer your drivers licence, open an account, doctor appointments, school/ kindergarden, sight seeing, etc.

**TIP:**  
The program is adapted to your needs and wishes.

## Course format:

- A) as group course (3- 6 students)**
  - “After Work“ in our school or “at work/ at home“ at your home
  - for example: 12 weeks with 2 classes a week = 72 class hours
  - that means a class in our school + a class locally to practise
- B) as individual course**
  - available alone or as a pair
  - for example: 30 or 50 x 45 min.
  - classes vary according to location

## Registration + Start:

Conditions: none  
 Start: allways possible  
 Course program: how you wish  
 Duration: individually
