Conditions

for foreign language courses (not German intensive courses) at Kästner Kolleg e.V.

- The current price list at the time of registration is valid.
- A completed, signed registration form and a 50 € deposit are necessary for registration and a **course reservation**. The deposit will be applied to the course fee at the beginning of the course.
- A **course module** runs for 12 or 24 fixed appointments - unless otherwise arranged - once or twice per week for 2 lessons = 90 minutes.
- If only 2 students are registered for the course, the course duration is 8 weeks instead of 12 weeks (same price).
- If only one person is registered for the course, this person will receive a 45 minute private lesson instead of the regular group lesson.
- Course fees** must be paid at the latest on the second course date. In any other case, *Kästner Kolleg* reserves the right to exclude the student from the course. It is also possible to arrange payment in installments.
- It is possible to **cancel** participation in a course immediately after the first course date (= trial lesson) in writing or in person at the *Kästner Kolleg* office. In this case *Kästner Kolleg* reserves the right to retain the reservation fee of 50 € as a cancellation fee.

- In the case of long term illness with a doctor's note *Kästner Kolleg* may issue a refund in the form of a voucher or by rescheduling the course.
- Private lessons:** No cancellation fee will be charged when a written or personal cancellation is made 24 hours or more in advance of the course time (in the case of a Monday course the cancellation must take place on a Friday). For cancellations made on the day of the course 2 or more hours before the course time the price of one lesson will be charged. When the course is not attended or in the case of late cancellations the planned hours of individual lessons must be paid in full. A special training contract will be signed for private lessons.
