

German via LIVE Video at Kästner Kolleg

With our online *German course via LIVE Video* you can learn German from your home or office, more individually and flexibly, whether it is for work, for an exam (TEstDaF, telc), for everyday life, or the next interview.

We always provide you with a **personal tutor**, who is a qualified native speaker. He or she will guide you through the course, eg. with **5 hours live teaching daily** in our intensive course. Furthermore he or she will send you further assignments, correct your written work, motivate you and give you valuable feedback and tips.

Features of your German LIVE Video course:

- use a PC, tablet or smartphone
- follow a proven study plan and schedule
- from Monday to Friday between 9:30 and 14:00 CET
- Prices, see our current price list
- bookable from 1 to 40 weeks (or hours in private set up)
- take a trial lesson at any time

We guarantee that after the corona crisis your online Course will continue as a face 2 face offline course at our school **or/and** as an Online course. So you will be able to finish your course in any way.
